

AF ELECTRIC VSETT VSETT 11+

The Vsett 11+ electric scooter is an engineering masterpiece born out of a passion for electric vehicles. This electric scooter is designed for the most demanding customers who do not want to compromise between price, quality or safety. Choose your path and drive. Years of experience in building electric scooters allow VSETT to create a model with a longer range. Therefore, the VSETT 11+ is equipped with a Li-Ion battery with a capacity of 42Ah/60V and can travel up to 100 km on a single charge.
